Re: Student Maintenance Worker

To Whom It May Concern,

I am writing to you to apply a position at Dawson Trail.

I am a hard-working individual currently finishing schooling at Confederation College. I am a mature and responsible individual who can work as part of a team or independently. I am aware of how Quetico Park maintenance functions thanks to three summers of employment with the park. I could assist Jill with social media if required, since the program I took at Confederation College covered that material in-depth.

I look forward to meeting with you about this position. I can be contacted by the phone number above or by email

Sincerely,

Davin Ojala
